## Tehnični podatki / Technical data

### MATERIAL:

Program **Avalon** je izdelan iz oplemenitene iverne plošče, izbočene ličnice in okvirji pri steklenih vratih pa iz vlaknene plošče. Vsi vidni robovi so obdelani z ABS folijo. Ogrodja so postavljena na PVC nivelirne nogice.

### BARVA:

Ogrodja elementov so v barvi **češnje**. Vrata in ličnice pa so poleg barve češnje dobavljive še v **bordo rdeči** in **bež** barvi. Bordo in bež fronte so lakirane, kar daje **Avalonu** še dodatno eleganco. Ročaji in podnožja pisalnih miz so kovinski v mat krom barvi.

### KOMPANIBILNOST:

Program **Avalon** je modularni sistem pohištva, kar pomeni sestavljanje sestavov iz določenega števila ponujenih ogrodij omar, omaric, raznih stojal, sten s policami, klubskih mizic, pisalnih miz, predalnikov, itd. Veliko sestavov je predstavljenih v nadaljevanju.

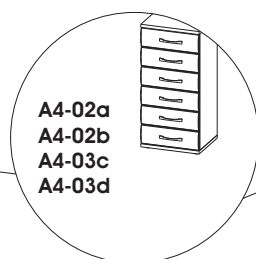

S programom **Avalon** si lahko opremito **dnevno sobo, mladinsko sobo, predsobo, pisarno, jedilnico in še kaj**. Na voljo imate pet višin in dve širini ogrodij, pri dveh najnižjih pa je možno tudi obešanje na zid. Na ogrodja lahko poljubno kombinirate vrata in ličnice iz ponudbe. Veliko kombinacij je predstavljenih v nadaljevanju. **Pri montaži pa lahko še postavitev predalov in vrat po svojem okusu spreminjate.**

### PAKIRANJE:

Elementi so v demontažni izvedbi pakirani v embalaži iz lepenke.

### OPOZORILO

Pri vseh elementih, ki imajo več oznak, le te označujejo različno barvo front, kar je razvidno iz cenika..

### WARNING

Availability of colours for different fronts is defined with codes beside each elements and is seen in the price list.

### MATERIAL:

Programme **Avalon** is produced from chipboard decorated with melamine foil, except convex fronts and slats for glass doors are made from MDF (medium density fiberboard). All visual edges are treated with ABS foil. Frameworks are standing on PVC legs with height adjustment.

### COLOUR:

Frameworks of the elements are in the cherry colour. Doors and drawer fronts are beside cherry colour also available in **biege** and **bordo red**. Bordo and biege fronts are lacquered, which makes **Avalon** even more elegant. Handles and legs for office tables are metal in matt chrome colour.

### COMPONENT SYSTEM:

Programme **Avalon** is modular sistem of furniture. That means, that you can build a composition from wide pallet of frameworks, small cabinets, racks, walls with shelves, coffee tables, office tables, drawers, etc. A lot of compositions are presented further in this document.

With **Avalon** you can build yourself a **living room, youth room, hall, office, dining room** and wherever you find it fitting.

You can choose between five heights and two widths of frameworks. The lowest two can also be hanged on the wall. On frameworks, you can combine different variations of doors and drawers. Many of combinations are presented further in this document.

**When assembling, you can change position of doors and drawers, according to your desire.**

### PACKING:

Elements are not assembled and packed in cardboard packages.

### OPOZORILO

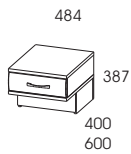

Pri elementih s steklenimi vrati, so v elementih vključene steklene police, pri polnih vratih pa lesene police.

### WARNING

Elements with glass doors include glass shelves and elements with wooden doors include wooden shelves.
